

Directions: Respond to **ALL** of the following prompts, utilizing standard paragraph structure with an effective topic sentence/thesis statement. Provide as much specific detail as possible in a coherent, cogent paragraph. You may include a diagram in your response if you feel it would enhance your written response. The focus of the responses should be content not form—avoid fluff.

1. Describe the **Columbian Exchange** and its impact on **both** the New and Old Worlds.
2. Explain the process of **Ethnogenesis** as it applies to the history of Native Americans before and after contact with Europeans.
3. Compare & Contrast the colonial enterprises of **Spain, France & England**.
4. Explain the role of **land limitation**—both geographic & human—as the cause of Bacon’s Rebellion.
